Winston-Salem based Shugart Enterprises, one of the Triad's most prolific homebuilders, is celebrating its 45th anniversary on Saturday.

Consumers are welcome to join the company for a celebration at several Shugart communities including Asbury, Saddle Brook, Stone Ridge and The Waterfalls. Attendees will also have a chance to win a free iPad and enjoy birthday cake and refreshments.

"We're probably the oldest active home builder organization in the Triad, and I'm proud of that," said Grover Shugart, company president.
